

OWN A HOME WITH STRENGTH & BEAUTY BUILT FROM THE INSIDE OUT

Stärke manufactures precision-made **Steel Frames** that deliver a better, more durable & healthier home for your family. Resistant to moisture penetration, mould growth and warping, and backed up with a 50 year durability warranty for ultimate peace of mind.

We also happen to design our **Steel Frames** to work seamlessly with **Stärke Windows & Doors**, reducing on-site costs and delivering faster build times. Tested up to and beyond New Zealand and Australian standards with superior strength and water performance, so you can enjoy the highest specifications without the high price tag. Learn why more New Zealander's are choosing steel by Stärke Frame®

STÄRKE FRAME

STEEL FRAMING FOR HOME OWNERS

WHY CHOOSE STÄRKE FRAME?

When it comes to building, structural integrity is everything. Traditional wooden materials are prone to warp, sag or shrink over time, hence increasing the risks of cracked walls, jammed doors and waving roof lines. Framing materials made from steel is an investment for your building's future.

✔ Get it Right from the Start

Stärke Steel Framing enables a straight, accurate & superior finish across all construction elements. Engineered to withstand New Zealand's unique climate, resisting moisture penetration and eliminating mould growth & rot, and backed up with a 50 year durability warranty too, giving you peace of mind.

✔ Unrivaled Accuracy

Steel Framing is the proven performer over time. The stability of steel framing during moisture changes means a goodbye to cracked walls, cladding, sticking doors and window frames.

✔ Healthier, Safer Home

Steel Framing does not require any preservatives or post-treatment to prolong its life. Allergenic Free, Dust Free and minimises the use of insecticides, which is why steel framing systems are recognised as healthier homes by Asthma foundations worldwide. Non-combustible material that won't ignite, and presents a minimum fire risk.

✔ Exceptional Warranties

In the building industry today, any product that comes with a 50 year warranty is a no brainer. Choose steel.

✔ Better Design Flexibility

Steel framing is the choice for independent builders in bespoke architectural designs, and also popular with nationwide building franchises. The strength & spanning capabilities offer more design options to create open plan and cost-effective spaces.

✔ Steel Frames Designed for Stärke Windows & Doors

Enjoy the benefits of better, faster build times with Stärke windows & doors, designed to work seamlessly with Stärke Frame. Tested up to and beyond New Zealand and Australian standards, delivering increased strength & superior water performance.

✔ The Future is Stärke

Optimised engineering technology ensures StärkeFrame® supports structural loads more effectively than timber, while using less material in the process. It's also 100% recyclable, so a decent environmental choice for future generations.
